

## Joining the **Salamander Superhero** fundraiser through Razoo

You may be familiar with Razoo as the platform used during Valley Gives each year. It's also a great tool for bringing together our Salamander Superheroes during this 30-Day Sustain**ability** Challenge!

Join the fun by visiting the [Salamander Superhero fundraiser page](https://www.razoo.com/team/Salamandersuperhero):  
(<https://www.razoo.com/team/Salamandersuperhero>)

Two Ways You Can Help Fundraise –

### 1. **Make a gift to support a Salamander Superhero.**

Clicking on any team in the Leaderboard will take you to their page, where you can make a gift. If you don't have a particular Superhero in mind that you'd like to support, consider supporting Hitchcock Center staff member Marcus Simon.

### 2. **Set up a personalized fundraising page – in under 5 minutes.**

Customize your page and share it with family and friends. Ask for their support as you take on being a Salamander Superhero this month!

#### Here's how it works:

1. Visit the [Salamander Superhero fundraiser page](https://www.razoo.com/team/Salamandersuperhero) on Razoo.
2. In the "Join This Team" box, click the "Fundraise" button.
3. If you already have an account, log in. If you need to set up a new account, it's free and just takes a few seconds.
4. Your page will automatically generate with pre-filled information.
5. This is all you *need* to do – your page is ready to share with your supporters! Click the "View" tab and then copy the URL to share with your friends and family.
6. OPTIONAL – If you'd like to further customize your page, click the "Manage Page" button at the top of the screen. Options include:
  - Changing the "Name" of your fundraiser,
  - Editing the quick "Summary" to let people know what your fundraiser is about,
  - Using the "Tell Your Story" box to give a more detailed description of why you're participating,
  - Changing your "Goal" amount,
  - Adding "Suggested donation amounts", and
  - Customizing your "Web Address" (under "Advanced Options").
