

TAKE IT OUTDOORS BINGO!

Be a scientist and make observations. How many tasks can you complete?
Take a photo or draw a picture of the completed task to show your observations.

Complete a full row horizontally, diagonally or vertically (using your free space).
Then **CLICK HERE** to submit your recorded data in photos to our google form (1MB max).
You will win a prize that will be sent to you via snail mail!!

This activity is a part of Hitchcock Center for the Environment's Take it Outdoors Program funded by the Francis R. Dewing Foundation. To learn more visit hitchcockcenter.org.
